

This architectural site plan depicts a residential development with five main building blocks labeled A, B, C, D, and E. The plan is highly detailed, showing individual rooms, corridors, and outdoor spaces. Key features include:

- Building A:** Located on the left, it contains rooms labeled M2, M3, and A. It has a large courtyard area with a central well or fountain.
- Building B:** Situated at the top left, it includes rooms M2, M3, and B. It features a large, irregularly shaped courtyard.
- Building C:** Located in the center, it contains rooms M2, M3, and C. It has a large, rectangular courtyard.
- Building D:** Situated on the right, it includes rooms M2, M3, and D. It has a large, rectangular courtyard.
- Building E:** Located at the bottom right, it contains rooms M2, M3, and E. It has a large, rectangular courtyard.

The plan also shows various courtyards, walkways, and landscaping elements. Numerous numerical annotations are present, likely representing elevations or dimensions. The overall layout suggests a well-organized residential complex with ample outdoor space for residents.
